Explore the Untamed Natural Wilderness of the West Coast, South Island!

The West Coast, or 'the Coast' as locals call it, is an untamed natural wilderness of rivers and rainforests, glaciers and geological treasures. This region is 600km long and there's a lot to see. In fact, the Great Coast Road stretching from Westport to Greymouth is one of the top 10 coastal drives in the world rated by Lonely Planet..

Starts: 12 May 2024 in Christchurch

Ends: 16 May 2024 in Christchurch

Number of seats available: 8

Additional notes: Please arrive in Christchurch on May 11th as the Famil starts early on May 12th.

Day 1 Sunday, 12 May 2024

Welcome to the West Coast

West Coast, New Zealand

Palm-fringed beaches, icy glaciers, historic places and everything in between ... the West Coast stretches 600 km from Kahurangi Point in the north to Awarua Point in the south, but never more than about 50 km across between the Tasman Sea and the Southern Alps.

We're New Zealand's third largest region but more like a series of regions and districts, each with their own unique landscape, distinct climate, attractions and stories.

Discovering our treasures will take a while. Millions of years went into forming this land — good things take time so be prepared to stay longer!

Pancake Rocks & Blowholes Walk

Punakaiki, New Zealand

Explore a limestone landscape of pancake-shaped rock formations, blowholes and surge pools on this short, paved walk that's great for families.

Distance: 1.1km

Duration: 20/30 min loop.

This is an all-weather walk around the curious limestone formations of pancake rocks and blowholes. With the exception of an optional short section with steps, the walk is suitable for wheelchairs (with assistance).

Blowholes form from a mixture of compressed water and air escaping through the caverns below and being forced upwards, creating a huge wall of spray. They are at their best around high tide when there is a south-westerly swell.

Spectacular views, geological oddities, coastal forest, rich birdlife and marine mammals are highlights along this walk.

Our Story and Tasting Tour

Reefton Distilling Co •

Reefton Distilling Company, 10 Smith Street, Reefton 7830, New Zealand

Reefton Distilling Co.

Our distillery expanded in 2022, relocating to our new 1.6ha rural site on the edge of town. We repurposed existing buildings to house our stillroom, warehouse, bottling hall and our office building, which is an important part of our commitment to sustainability. Our original site is still the home of our Cellar Door and retail store, and is open 7 days to welcome visitors.

The Reefton Distilling Co. team are inspired to provide you with a truly unique West Coast experience as they share the story behind the crafting of their local botanical gins, liqueurs, vodka and whisky.

Join us at our Cellar Door lounge for a relaxed session, where your Host will share the story and the motivation of our Founder, to create a distillery in this part of Aotearoa New Zealand. You will be given an insight into the distilling process for our Moonlight Creek Whisky and Little Biddy Gin before getting to experience a selection of our products with a complimentary tasting.

Our first still Little Biddy remains in her original spot and has been turned into a time capsule, which will be opened at our 100 year anniversary in 2117.
