Welcome to Untamed Natural Wilderness, welcome to the West Coast!

You can expect things to be different on the West Coast – more real, bigger than anticipated, greater than you thought.

Welcome to the West Coast

Palm-fringed beaches, icy glaciers, historic places and everything in between ... the West Coast stretches 600 km from Kahurangi Point in the north to Awarua Point in the south, but never more than about 50 km across between the Tasman Sea and the Southern Alps.

We're New Zealand's third largest region but more like a series of regions and districts, each with their own unique landscape, distinct climate, attractions and stories.

Discovering our treasures will take a while. Millions of years went into forming this land — good things take time so be prepared to stay longer!

Reefton Distilling Company, 10 Smith Street, Reefton 7830, New Zealand

Reefton Distilling Co.

Our distillery expanded in 2022, relocating to our new 1.6ha rural site on the edge of town. We repurposed existing buildings to house our stillroom, warehouse, bottling hall and our office building, which is an important part of our commitment to sustainability. Our original site is still the home of our Cellar Door and retail store, and is open 7 days to welcome visitors.

The Reefton Distilling Co. team are inspired to provide you with a truly unique West Coast experience as they share

the story behind the crafting of their local botanical gins, liqueurs, vodka and whisky. Join us at our Cellar Door lounge for a relaxed session, where your Host will share the story and the motivation of our Founder, to create a distillery in this part of Aotearoa New Zealand. You will be given an insight into the distilling process for our Moonlight Creek Whisky and Little Bidy Gin before getting to experience a selection of our products with a complimentary tasting.

Our first still Little Bidy remains in her original spot and has been turned into a time capsule, which will be opened at our 100 year anniversary in 2117.

Pancake Rocks & Blowholes Walk

Pancake Rocks Cafe, Coast Road, Punakaiki 4300, New Zealand

Explore a limestone landscape of pancake-shaped rock formations, blowholes and surge pools on this short, paved walk that's great for families.

Distance: 1.1km

Duration: 20/30 min loop.

This is an all-weather walk around the curious limestone formations of pancake rocks and blowholes. With the

exception of an optional short section with steps, the walk is suitable for wheelchairs (with assistance).

Blowholes form from a mixture of compressed water and air escaping through the caverns below and being forced upwards, creating a huge wall of spray. They are at their best around high tide when there is a south-westerly swell.

Spectacular views, geological oddities, coastal forest, rich birdlife and marine mammals are highlights along this walk.

- Wear comfortable outdoor clothing suitable for wearing on the snow. The temperature can be 5-10 degrees cooler up there.
- Camera (or phone) and plenty of room on your memory card.
