## Welcome to the West Coast West Coast

Palm-fringed beaches, icy glaciers, historic places and everything in between ... the West Coast stretches 600 km from Kahurangi Point in the north to Awarua Point in the south, but never more than about 50 km across between the Tasman Sea and the Southern Alps.

We're New Zealand's third largest region but more like a series of regions and districts, each with their own unique landscape, distinct climate, attractions and stories.

Discovering our treasures will take a while. Millions of years went into forming this land — good things take time so be prepared to stay longer!

## Our Story and Tasting Tour

Reefton Distilling Co •

Reefton Distilling Company, 10 Smith Street, Reefton 7830, New Zealand

Reefton Distilling Co.

Our distillery expanded in 2022, relocating to our new 1.6ha rural site on the edge of town. We repurposed existing buildings to house our stillroom, warehouse, bottling hall and our office building, which is an important part of our commitment to sustainability. Our original site is still the home of our Cellar Door and retail store, and is open 7 days to welcome visitors.

The Reefton Distilling Co. team are inspired to provide you with a truly unique West Coast experience as they share the story behind the crafting of their local botanical gins, liqueurs, vodka and whisky. Join us at our Cellar Door lounge for a relaxed session, where your Host will share the story and the motivation of our Founder, to create a distillery in this part of Aotearoa New Zealand. You will be given an insight into the distilling process for our Moonlight Creek Whisky and Little Biddy Gin before getting to experience a selection of our products with a complimentary tasting.

Our first still Little Biddy remains in her original spot and has been turned into a time capsule, which will be opened at our 100 year anniversary in 2117.

Note: This tour does NOT include a visit to the working distillery and production area.

## Pancake Rocks & Blowholes Walk

Pancake Rocks Cafe, Coast Road, Punakaiki 4300, New Zealand

Explore a limestone landscape of pancake-shaped rock formations, blowholes and surge pools on this short, paved walk that's great for families.

**Distance: 1.1km**

**Duration: 20/30 min loop.**

This is an all-weather walk around the curious limestone formations of pancake rocks and blowholes. With the exception of an optional short section with steps, the walk is suitable for wheelchairs (with assistance).

Blowholes form from a mixture of compressed water and air escaping through the caverns below and being forced

upwards, creating a huge wall of spray. They are at their best around high tide when there is a south-westerly swell.

Spectacular views, geological oddities, coastal forest, rich birdlife and marine mammals are highlights along this walk.

Mark, Billy and Adam had called Franz Josef home for nearly a decade when the opportunity to join forces and reinvigorate a very tired old restaurant on the village's main street.

Their Franz Josef food and beer experience began in 2013 with the opening of 88 Asian Fusion Restaurant and Lounge Bar. In the early hours of May 1st 2015 things got a bit hot in the laundry and the building caught fire. They took the very best from 88 Asian Fusion and re-invented their Franz Josef Glacier experience.

Your journey starts and ends at the Glacier Base Building. On arrival, our friendly team will check you in and prepare you for the excitement ahead with necessary gear and pre-trip briefings.

From here, you will take a short walk to the helicopter pad where your pilot will whisk you away over the jaw dropping landscape - an opportunity to take in the full panoramic majesty of Kā Roimata o Hine Hukatere (Franz Josef Glacier). You will land high up on the main ice fall of the glacier, where your guide will help you make the final preparations for your adventure.

Franz Josef Glacier Guides have teamed up with The Helicopter Line who provide access onto the glacier via helicopter.
