

Welcome to Untamed Natural Wilderness, welcome to the West Coast!

You can expect things to be different on the West Coast – more real, bigger than anticipated, greater than you thought.

Entry & Gold Panning Experience

Shantytown Heritage Park · Shantytown Heritage Park, Greymouth 7805, New Zealand

West Coasters are true pioneers by nature!

Isolation, extreme weather and rugged terrain have produced numerous tales of fortitude, fortune and ingenuity.

Shantytown's replica gold-rush village retells the 19th-century chapter of our history through a fascinating mix of experiences and displays, spread across over 30 buildings.

Ride the heritage train through native rainforest, walk the inner workings of a historic sawmill, watch the sluice gun blast gold bearing rock and soil from the earth, and follow the water-races to the gold claim area to pan for your own gold. For an extra special memento on your visit, be sure to stop for an Old-Time Photo too!

<u>Please note:</u> dress warm, it will be chilly first thing in May. We provide jackets, dry bags, paddling gloves and FREE photos. But we recommend everyone wear 2 warm layers on their top half, and ideally no demin on the bottom. Feet remain dry throughout.

For those without adequate warm tops we have some fleece layers in the office, not fashionable - but they'll do the job! Warm tea/coffee provided on the tour and on the boat.

Kayak across the serene waters of Lake Mapourika, surrounded by stunning views of the Southern Alps within the UNESCO World Heritage area. Step ashore on our private beach and rainforest trail, and explore the untouched Jurassic rainforest of the Kiwi Conservation area. Learn about kiwi bird and predator free conservation, spot native birdlife, and experience the remote wilderness of Franz Josef Glacier. Our guides are passionate about the environment and will take photos for you along the way, which are provided free after each tour.

This tour has been slightly amended to include a scenic boat ride back from the private beach and rainforest trail. This would not be normal practice for a client.

Reefton Distilling Co ·

Reefton Distilling Company, 10 Smith Street, Reefton 7830, New Zealand

Reefton Distilling Co.

Our distillery expanded in 2022, relocating to our new 1.6ha rural site on the edge of town. We repurposed existing buildings to house our stillroom, warehouse, bottling hall and our office building, which is an important part of our commitment to sustainability. Our original site is still the home of our Cellar Door and retail store, and is open 7 days to welcome visitors.

The Reefton Distilling Co. team are inspired to provide you with a truly unique West Coast experience as they share

the story behind the crafting of their local botanical gins, liqueurs, vodka and whisky. Join us at our Cellar Door lounge for a relaxed session, where your Host will share the story and the motivation of our Founder, to create a distillery in this part of Aotearoa New Zealand. You will be given an insight into the distilling process for our Moonlight Creek Whisky and Little Biddy Gin before getting to experience a selection of our products with a complimentary tasting.

Our first still Little Biddy remains in her original spot and has been turned into a time capsule, which will be opened at our 100 year anniversary in 2117.
