## Pancake Rocks & Blowholes Track

Pancake Rocks Cafe, Coast Road, Punakaiki 4300, New Zealand

Explore a limestone landscape of pancake-shaped rock formations, blowholes and surge pools on this short, paved walk that's great for families.

**Distance: 1.1km**

**Duration: 20/30 min loop.**

This is an all-weather walk around the curious limestone formations of pancake rocks and blowholes. With the exception of an optional short section with steps, the walk is suitable for wheelchairs (with assistance).

Blowholes form from a mixture of compressed water and air escaping through the caverns below and being forced upwards, creating a huge wall of spray. They are at their best around high tide when there is a south-westerly swell.

Spectacular views, geological oddities, coastal forest, rich birdlife and marine mammals are highlights along this walk.

## Lake Matheson

Lake Matheson, 7886, New Zealand

Lake Matheson is nestled in ancient forest and is famous for mirror views of Aoraki/Mount Cook and Mount Tasman. Its excellent reflecting properties are due to the dark brown colour of the water – the result of organic matter leached from the humus of the forest floor. Dawn and dusk are the best times to enjoy the reflections in the lake.

Shorter walk option: Car park to Jetty Viewpoint

**Time:** 45 min return car park to jetty

**Distance:** 2.4 km return car park to jetty

The first section of the walk, to the Jetty Viewpoint, is suitable for assisted wheelchairs. After crossing the Clearwater suspension bridge, the walk to the Jetty Viewpoint takes you past tall kahikatea and rimu as well as a rich profusion of smaller plant varieties.

The jetty provides a magnificent mountain view reflected in the dark waters.
