

OKARITO  KAYAKS

A breath of fresh air

Family operated, personally hosted.

Meet the Directors ...

- A rare and welcoming chance to slow down and experience genuine heartland Kiwi hospitality, in a stunning, sunny environment, only ten minutes off the busy commercial tourism route through the Franz Josef region.

- Incredibly scenic, nature-focused, shallow water kayaking suitable for all ages, in groups of six or less, guided by locals. Authentic, and relaxed.
- Great good-weather option with sunnier and drier micro-climate unique to Ōkārito, on the West Coast.

Trade ready, over thirty years operation, Qualmark Gold, with multiple awards for environmental and sustainability projects.
